

## Slip! Slide! Skate!

A young girl tries to be the best at everything she does. Her ice skating class is going to be in an ice show. And her determination to be the best skater causes her to frown on her classmates less-than-perfect practice sessions. They laugh and giggle with each misstep. She cannot imagine having fun when putting on a show is most important. But on the day of the Ice Show, she trips and causes everyone to fall down. Instead of being angry with her, her fellow skaters laugh. She finds herself laughing too “ and discovers that enjoying what you do is just as important as being the best.
