

# Uncovering the Culture of Ancient Britain (Archaeology and Ancient Cultures)

Travel back in time to ancient Britain, a region loaded with archaeological finds that have been instrumental in our understanding of the past. This volume explores ancient Britain's most exciting archaeological digs and discoveries. Readers are introduced to this area's history, characteristics, and importance, and then are treated to detailed text and full-color photographs of important artifacts. The text is organized chronologically, helping students track the development of this ancient civilization. A simple map, timeline, and fact boxes complete a comprehensive learning experience about ancient Britain's fascinating archaeological history.
