

Play On (Lorimer Sports Stories)

Alecia is about to be adopted by a new stepfather, her soccer team, the Burrads, is preparing for the championship game, and a cute new boy has arrived on the scene. But there are even more changes on the horizon. The teams game is suffering as the players get distracted by other interests. If the Burrads are to make it to the finals, they must renew their commitment to their sport and to each other. Play On is the satisfying conclusion to the acclaimed series that also includes Offside and Alecias Challenge.
