

# The History of Hockey (Sports Throughout History)

Kids love reading about sports, but it can sometimes be a bit harder to get them excited about history. What better way to get kids curious about the past than to combine the two? This set of informative books will help young readers gain historical perspective and encourage them to think about how technology and the environment have affected the ways people have lived and played in the past. Most importantly, it will teach them about the games they know and love.
