

## Millions of Snow (Playtime with Little Nye)

Join Little Nye and his friends in a new picture book celebrating imaginative play in simple stories and fresh illustrations with a fun, retro feel. When Lester rolls a lump of snow around the yard, it grows bigger and bigger, but what is it? It's too big to throw, and with the help of Nella, Gracie, and Little Nye, it's now as big as Lester himself. Why, it's just the right size for a snow friend! All that's needed are a few finishing touches to make him come to life. And all the friends need is some cocoa and sugar buns to warm them up after!
