

# Climbing The Great Denali

With their mountaineering coach, teenagers Mitch and Jason aspire to climb America’s highest mountain, known as Denali or Mt. McKinley. The tough climb inspires an injured child to work for recovery after losing a leg to a drunk driver. The challenge to reach the peak at 20,320 feet is full of adventure and life threatening events. This novella is great for readers as young as 13, and for readers of any age who want to know about mountain climbing in frigid Alaska, especially Mt. McKinley.
