

Ancient Civilizations - Common Core Lessons & Activities

The Ancient Civilizations - Common Core Lessons and Activities is designed to supplement your Social Studies resources, adding new Common Core rigor, analysis, writing, inference, text-dependent questions, and more into your daily instruction. How to Use The Ancient Civilizations - Common Core Lessons and Activities book: Work through the lessons and activities as a class to teach your students higher-order thinking, analysis, and 21st century skills necessary to meet new Common Core expectations. Allow students to work through the lessons independently to build and practice These new skills. Include technology, collaboration, presentations, and discussion in the activities as you desire - you can decide how in-depth to go. Watch your class develop new abilities to meet the rigor of Common Core State Standards, right before your eyes! Tips: Use some of the pages - or use them all - based on your grade, your students, your curriculum, and your needs. Use these pages at their current size, or if you prefer. Then to be 8.5 X 11 enlarge it to 125% on your copy machine. To download the graphic organizers labeled GO in the Table of Contents Use the correlations grid to easily see which Common Core standards are covered in each lesson. The Ancient Civilizations - Common Core Lessons and Activities book includes: Reading for Information
