

The Berenstain Bears Easter Magic

The Berenstain Bears encounter the magic of Easter. Spring is here, the trees are budding, and everywhere in the countryside, nature is coming back to life. In Bear Country, the most magical time of the year isn't Christmas or Halloween or Thanksgiving—it's Easter! But for Brother Bear and Sister Bear, the only good kind of Easter egg is the kind that's full of chocolate. This spellbinding Easter poem tells of the majesty of spring and the joys of rebirth, but doesn't overlook the pleasures of delicious Easter treats. And as flowers bloom and animals come out to play, Brother and Sister learn a valuable Easter lesson: how to avoid a stomachache! This is a fixed-format ebook, which preserves the design and layout of the original print book.
