

## Tumble Bunnies

Every child who has ever worried about organized sports will cheer Clyde's innovative solution in a lighthearted story that underscores the true meaning of sportsmanship. The Sports Spectacular is only a week away, and Clyde is worried. He's sure he won't get chosen for any team — not for the races, not for kickball, and not for T-ball. Then his best friend, Rosemary, tells him she's entering the tumbling event, an option that doesn't require any teams! Soon Clyde is practicing his somersaults, hops, and a trick he made up called the twirlyburly. But when something unexpected happens to his friend on the day of the Sports Spectacular, Clyde must find a way to help her — and still go on. Readers who met Clyde in *LUNCH BUNNIES*, *SCIENCE FAIR BUNNIES*, and *SHOW AND TELL BUNNIES* will root for him again through his anxieties and his triumphs in this latest tale from Kathryn Lasky and Marilyn Hafner.
