

Balancing Acts (Chalet Girls)

Three girls find romance and friendship while working at the most exclusive ski resort in Europe. At Le Trois Alpes, Harley, Melissa, and Lily (a.k.a. Dove) find a place to run away from their pasts. Small-town Colorado girl Harley scored the coveted hostess job - even though she's got attitude to spare. She hopes to start a new life with rich and famous friends - and perhaps a cute guy. Melissa just arrived from Australia and is ready to cook. But things heat up fast for her when her ski-pro ex-boyfriend just happens to make his way to the slopes. And Lily is really wiping the slate clean: With a new name and lowly maid status, no one needs to know about her society-girl history. If the Chalet Girls can manage to balance their jobs, crushes, and hidden pasts, they are in for one hot winter!
