

The Boo! Book

This BOOOOOOok comes with a ghostly surprise. Everyone has heard of haunted houses. You know, the ones that the mailman crosses the street to avoid. But it turns out that books can be haunted too. Of course all books are full of surprisesâ€”but The Boo! Book has a spooky one: A ghost! He rearranges the words, flips the pictures upside down, and waits very patiently for his special version of a surprise ending.Â Â Â Â In the spirit of the classicÂ The Monster at the End of this Book, this clever tale features a pop-up ghost encounter and friendly fun for all ages.
