

K is For Kitten

Rosie is just a scrawny alley kitten, but she's braver than she looks—and that's a good thing, because when a little girl brings her home, Rosie will meet the family dog, confront wild animals, be fooled by her reflection and find herself out on a limb. It will take some time for Rosie to get used to her new surroundings, but she eagerly laps it up, and her new family can't help loving her. In this charming alphabet book, Niki Clark Leopold and Susan Jeffers join forces to introduce us to a most endearing kitten on her journey of discovery.
