

## Bearded

In this delightful and silly story written and illustrated by Jeremy Billups you'll get to meet a bear with a beard and tag along as he becomes rich and famous, wins beard-wrestling matches, gets knighted by a queen and meets other animals from all over the world with their very own beards.

How long is this bear's beard? Are there really other animals with beards? And what exactly is this bear keeping tucked away in his beard? This picture book about kindness is perfect as a children's bedtime story and for fans of humorous books that encourage imagination and play such as *Don't Let the Pigeon Drive the Bus* by Mo Willems, *The True Story of the Three Little Pigs* by Jon Scieszka and Lane Smith, and *Oliver Jeffers Stuck, The Incredible Book Eating Boy, Lost and Found, and This Moose Belongs to Me*.
