

Girl Overboard (A Justina Chen Novel)

Everybody thinks Syrah is the golden girl. After all, her father is Ethan Cheng, billionaire, and she has everything any kid could possibly desire: a waterfront mansion, jet plane, and custom-designed snowboards. But most of what glitters in her life is fools gold. Her half-siblings hate her, her best friends girlfriend is ruining their friendship, and her own so-called boyfriend is only after her for her fathers name. When her broken heart results in a snowboarding accident that exiles her from the mountains-the one place where she feels free and accepted for who she is, not what she has-can Syrah rehab both her busted-up knee, and her broken heart? Justina Chen Headley writes with an engaging wit and a powerful, distinct voice. Her first novel, *Nothing But the Truth* (and a few white lies) was a Borders Original Voices nominee, a Book Sense pick, and received a starred review from Publishers Weekly: Headley makes an impressive debut with this witty, intimate novel.
