

If I Were a Book

This sweet celebration of the magic and wonder of books will delight readers of all ages through André Letria's whimsical illustrations of a book as a kite, a tent, a ship, and more are paired with José Jorge Letria's thoughtful musings on the joys of reading. In the hands of this internationally acclaimed father-and-son duo, a book becomes a mountaintop with a spectacular vista (If I were a book, I'd be full of new horizons), and an endless staircase of imagination (If I were a book, I would not want to know at the beginning how my story ends). Seamlessly weaving together art and prose, this petite tribute to a reader's best friend makes a timeless addition to every bookshelf.
