

## The Easter Bunny That Overslept

One spring morning, the Easter Bunny skips merrily along to deliver his colorful, hand-painted eggs. But the children tell him that its Mothers Day, which can only mean one thing: HE SLEPT THROUGH EASTER! Nobody wants eggs on Mothers Day, or on the Fourth of July -- and especially not on Halloween. Children will sympathize with the little bunnys plight and cheer when Santa finds the perfect gift to help! Originally published in 1957, The Easter Bunny that Overslept now returns with a fresh look, promising to delight new generations of children. What a wonderful tale to share at Easter, Mothers Day, Christmas ... or at any time at all!
