

# Complete Library Skills, Grades K - 2

A visit to the library is an experience that children of all ages enjoy! Complete Library Skills provides easy-to-use reproducible activities that leave students excited about the wealth of opportunities available in a library. Help students build essential skills and utilize the growing benefits of technology in libraries. Topics include how to care for a book, choosing a book, authors, genres, dictionary skills, keyboard and computer practice, an introduction to the Dewey Decimal Classification System, and more. Concepts are presented through fun worksheets and activities, including technology activities, Internet resources and online research activities. Each book also includes 128 reproducible page and a list of grade-appropriate and award-winning literature selections.
