

Eyewitness: Football (Eyewitness Books)

Discover the world of pro football; the history, the teams, the stars, and what equipment they use. Developed in association with the National Football League (NFL), Eyewitness Football features photographs and text on hundreds of people and objects from 80 storied years of the National Football League. Football captures the drama, excitement, and spectacle of professional football using the signature Eyewitness style. It is the definitive pictorial guide to America's most popular sport in all its rough-and-tumble glory, from its schoolyard roots through its rise to the status of an international supersport. See inside an NFL locker room and training camp and what players wore before helmets were introduced. Learn how coaches design plays, how to throw a perfect pass and make a clean tackle. Discover what trainers, referees, and coaches do, what it takes to win the Super Bowl, and much, much more!
