

Flips Snowman

Let it snow! Through cleverly positioned die-cut windows, little readers can watch Flip the penguin build a snowman - then pull a tab to make it snow so he can start another. Good morning, Flip! What's the weather like today? In a wintry follow-up to FLIPS DAY, Petr Horáček brings his bold palette and quirky style to the fun of building a snowman. The perky penguin sets out with a helpful bird to do the job, armed with a carrot, a pot, and some pieces of coal. All goes well until the sun comes out, which is not good news for Flip's snowy friend! Little ones will love to lend a hand by pulling a tab - and making it snow once again.
