

Football (Bullfrog Books: I Love Sports)

Lets play football! Through large, full-color action photographs and simple text, Football introduces beginning readers to the basic rules of the game and encourages them to try playing. A labeled diagram helps readers identify the different areas on a football field, and a picture glossary reinforces new vocabulary. Football also features reading tips for teachers and parents, a table of contents, and an index. Football is part of Jump!s I Love Sports series.
