

An Easter Basket of Prayers

For ages: babies-pre-schoolers. Author Pamela Kennedy relies on her experience as a mother and teacher to form just the right words for children's prayers. Here are gentle words that calm fears during thunderstorms and words of thankfulness for bright, sunny days. Along with each prayer is a Bible verse that illustrates the theme of the prayer. Brightly coloured paintings by Stephanie Britt make this a book even toddlers will enjoy. And parents can use the book to introduce the concept of prayer to even the youngest child.
