

# The Egg Tree

One Easter morning, Katy and Carl went on an egg hunt through Grandmoms house. Katy couldnt find anything until she went up to the attic. And there she discovered a very special set of eggs... Grandmom had painted them when she was a little girl. And now, she hung them from the branches of a tiny tree -- an Egg Tree! So began a very special Easter tradition. This Caldecott Medal-winning story of a Pennsylvania Dutch Easter will surely inspire children to make Egg Trees of their very own.
