

The 3 Ninja Kitties: The Legend Begins (Three Ninja Kitties)

Allie, Patches and Bobo are three little kitties who get torn away from their mother when she gets attacked by a super-villan dog. The kitties flee, assuming their mom was killed and in the craze of it all, the poor little kitties are separated, finding themselves in the world of the unknown all alone. Luckily, however, after wandering to unfamiliar places, each kitty cat finds a loving mouse, who takes them under their wing and raises them as their own. Though in separate places with separate mice raising them, each kitty somehow learns super ninja skills. It must be fateâ€™because their ninja skills are tested when once again the super-villain dog crosses their paths.
