

A Beginning, a Muddle, and an End: The Right Way to Write Writing

Avon the snail and Edward the ant are back for another funny--and philosophical--adventure. This time, Avon has decided he wants to be a writer, only to discover that writing is way more difficult than he ever imagined. He finally gets the word something written down, but there's a problem: What to write next? Luckily, his friend Edward is there to advise. Brimming with wit, wisdom, and humor, this warm and winning tale of two friends on a quest will be enjoyed by readers (and writers) of all ages.
