

London Trolleybus Routes

Fascinating history of the London trolleybuses which operated between 1931 and 1962. The book covers all route numbers that operated, all main termini, all preserved vehicles (except for Q1s in Spain), all rebodied types, all classes, all experimental vehicles and a Bournemouth vehicle on loan to London during World War II. The book is lavishly illustrated with black and white photos that will make you feel as if you're riding the bus through Twickenham. 176 pages.
