

Kerchoo The First Easter Bunny

If you ever wondered where the tradition of Easter bunnies started, here's your answer. It began with Kerchoo, a lovable, floppy-eared bunny who's allergic to flowers! This is an endearing story for anyone who loves bunnies and Easter. Award-winning author, Charlene Best DeWitt, creates another magical tale that will capture the imagination of young and old. Readers of her debut book, *The Frog-Along Party*, will be enchanted once again. Artist Dot Bunn is a full-time studio painter who lives and works in Bucks County, Pennsylvania. She has a strong commitment to working with and teaching traditional methods of painting. The author and artist unite in their goal to expose young readers to fine art and rich vocabulary.
