

Baby Einstein: Agua por todas partes: Baby Einstein: Water, Water Everywhere (Spanish Edition)

Water, water, everywhere! With this vinyl book, babies and toddlers learn the importance of water by playing games about it. The book contains simple, comical rhymes that teach children about the water in the sea, in the bubbles in their bath, in the clouds, and even in their tears! Equally suitable for bath time or bassinette, Baby Einstein: Agua por todas partes makes the process of understanding water easy and fun.
