

# My Adventure Scuba Diving

My Adventure books are as unique as the child who finishes them. Every page calls for new pictures to be drawn. From the space on the front cover where a child can write his or her name, to the never-ending choices for each blank in the story, My Adventures challenge the imagination and create books to be read again and again. Each adventure in the series is innovative and different. My Adventure stories are rich in excitement and detail, allowing young authors and artists to truly create a book of their own.
