Rain Later, Good is the award winning story of Peter Collyers extraordinary journey around the Shipping Forecast areas and has been a bestseller since first publication. The artists brilliant and detailed paintings reproduced actual size, offer a series of images which help conjure up the most mythical locations, whilst his delightful idiosyncratic text provides a wealth of fascinating insights. He introduces us to the people who live and work in these areas, and passes on snippets of tantalising information to give a powerful impression of the place and convey a real feeling of being there.
