

Charlie Joe Jacksons Guide to Extra Credit (Charlie Joe Jackson Series Book 2)

Charlie Joe Jackson, the most reluctant reader ever born, made it his mission in the first book to get through middle school without reading a single book from cover to cover. Now he's back, and trying desperately to get straight As in order to avoid going to academic camp for the summer. In order to do this, he will have to betray his friend, lose the girl of his dreams, and end up acting in a school play about the inventor of paper towels. Charlie Joe is not exactly the school play kind of guy, but desperate times call for desperate measures.
