

Wildcat Run (Orca Echoes)

Jake, Tommy and Lexie are on a ski trip. In an attempt to squeeze one last run in for the day, the kids head out on their own to ski down Easy Street. But Lexie and Jake convince Tommy to try Wildcat Run instead. Wildcat Run presents the young skiers with more than they expect, including a cougar sighting. When Lexie has a bad fall, the kids are left stranded on the hill in the fading daylight. Will they be rescued or will they have to spend the night alone on the mountain with a cougar?
