ICE MAGIC A strange power is at work in the rink... Pie Pennelli loves to play ice hockey, but he's got some problems: his hand-me-down skates are too big for him, and one of his teammates is always giving him a hard time. But Pie's troubles really begin when his next-door neighbors find an antique hockey game. They swear the game is magic and can predict every play Pie's team will make! When the magic game shows Pie immobilized in midgame, what does it mean for Pie on the ice?
