Cleopatra was a diva in every sense of the word. She used her charm and cunning wit to mesmerize some of the most powerful men in the ancient world. From Julius Caesar to Marc Antony, men adored her and women wanted to be her. She was born into royalty, but she had to fight for her throne every single day that she lived. A teen queen at 18, she learned quickly that being a female pharaoh wasn't an easy task. In this book, you'll discover how beauty and brains made Cleopatra a woman to be reckoned with, as well as an important part of history.
