

Walt Disney World Swimming Pools 2013: A Planet Explorers Travel Guide for Kids

The pools at Walt Disney World resorts are amazing. Most of them have slides, awesome themes, and super-fun play areas with splash zones nearby. To make the most of your trip, check out this 2013 guidebook written for kids and families to find out what kind of pool your Disney resort will have. You'll find TONS of great pool pictures in these pages from all different angles. Look for descriptions of the pool themes, resort fun facts, and a little information about counter-service food offerings near some of the pools. Click on the links throughout the book and get ready to be extra excited for your trip. Here are some handy symbols to help: SLD = Yippee! There's a SLIDE at this pool. HOT = The grown-ups will be happy...there's a jacuzzi near the pool. PA = This resort has a play area/jungle gym. KID = Have a younger brother or sister? Good news, there's a shallow KIDDIE pool or splash zone wet play area. B = BEACH ahoy! ZERO = The main pool has ZERO-DEPTH entry, which means the pool gets deeper gradually. QT = There is QUIET POOL at this resort in addition to the main pool. A = This resort has an awesome pool, one of the best on Disney property. Now you're ready to dive in! Don't miss the other titles in the exciting Planet Explorers series for 8-12 year-old travelers.
