

Rebel Glory

At 17, star defenseman Brian Thomas McPhee likes his chances of making it as a pro hockey player. Yet, a string of recent accidents threatens to knock his team out of the playoffs and ruin his promising career. B.T. McPhee has begun to question how many accidents can happen before they become more than a coincidence. But its not a good time for questions. Not in the spotlight of high-pressure hockey. Not when the team needs him most. And not when he has some important lessons to learn about life. For B.T. McPhee, however, there is no choice. Unless the questions are answered, the teams season and his promising career will surely end.
