

# The First Easter Day (A Touch-and-Feel Book)

What would it have been like to be present on Easter Day? This sweet board book with textures helps children imagine just that. From a little bee buzzing with excitement that Jesus is alive to a bunny hopping in delight and the sun shining down on the risen Lord, children will be able to feel as well as see the events of the first Easter morning. The narrator considers various perspectives on the Resurrection and the joy felt by all who loved Jesus. Charmingly illustrated, this book is a great way to introduce children to the good news of Easter. Ages 2-5.
