

Digger, Dozer, Dumper

Each truck and big machine in these enticing rhyming poems is different – and little readers are invited to find a vehicle that’s like them. Sixteen boisterous, rhyming poems – each one highlighting the job and personality of a different vehicle, from a backhoe to an ambulance to a snowplow – invite young children to meet their favorite trucks face-to-face. Cheerful illustrations show each one in action, digging (or dozing, or dumping) away. Engaging visual details like an anxious turtle crossing the street just ahead of a steamroller are sure to keep preschoolers poring over the pages as they consider the question, Trucks as far as eyes can see... Which truck would you like to be?
