

Brother Hugo and the Bear

A clever tale that will charm book lovers Brother Hugo cant return his library book -- the letters of St. Augustine -- because, it turns out, the precious book has been devoured by a bear! Instructed by the abbot to borrow another monasterys copy and create a replacement, the hapless monk painstakingly crafts a new book, copying it letter by letter and line by line. But when he sets off to return the borrowed copy, he finds himself trailed by his hungry new friend. Once a bear has a taste of letters, it appears, heâ€™s rarely satisfied! Brother Hugo and the Bear is loosely based on a note found in a twelfth-century manuscript -- and largely on the creative imaginings of author Katy Beebe. Lavishly illustrated by S. D. Schindler in the style of medieval manuscripts, this humorous tale is sure to delight readers who have acquired their own taste for books.
