

# The Snatchabook

A brilliantly written, laugh-out-loud rhyming text about books and the joy of reading in the vein of New York Times bestsellers *It's a Book*, *How Rocket Learned to Read*, and *Dog Loves Books*. Where have all the bedtime stories gone? One dark, dark night in Burrow Down, a rabbit named Eliza Brown found a book and settled down...when a Snatchabook flew into town. Its bedtime in the woods of Burrow Down, and all the animals are ready for their bedtime story. But books are mysteriously disappearing. Eliza Brown decides to stay awake and catch the book thief. It turns out to be a little creature called the Snatchabook who has no one to read him a bedtime story. All turns out well when the books are returned and the animals take turns reading bedtime stories to the Snatchabook.
