

## Reed (Wolfbay Wings #9)

Reed is a scoring machine aggressive, mean player who can manufacture breakaways from thin air and shoot like a pro. When his selfish style of play gets him kicked off the Bowie As, he joins the Wolfbay Wings. Reeds determined to be the best on his new team and not just because his sadistic older brothers will put him in the hospital if he isn't. But one of his bad moves puts a teammate out of commission, and Reeds forced to play defense or not at all. Reeds always thought that defensemen are wimps who just couldn't make it as centers. Can he learn to play defense when everything inside him screams offense?
