

# Braving the Lake (Innerstar University (Quality))

You love swimming at the pool, but you're terrified of the lake, or any body of water where you can't see bottom. You make up excuses not to join your friends when they go boating or swimming. But when you're teased about your fear, do you stand strong? Or do you swallow your fear and follow the crowd? Depending on the decisions you make, you could end up in deep water or standing on solid ground, knowing what real bravery is all about.
