

# NHL Hockey: An Official Fans Guide 2002-03

NHL Hockey contains everything a hockey fan needs to know for the season ahead. Here are in-depth and insightful previews of every NHL team and their star players -- this is what people will be talking about in the coming months. Here also are all the stats on all the 30 teams plus topical features written by the best hockey writers. Along with a detailed update about the teams current status, including recent trades and star players, team reports also feature full color photographs, the current roster with stats, plus team records. They even include the designs of the teams home and away shirts. Key players are featured in double-page spreads that focus on the athletes trading history, scoring stats and career development, including a detailed, insightful essay. Comprehensive, up to date and illustrated with 120 full color photographs from the NHL library, NHL Hockey is the essential companion to a hockey fans favorite time of year.
