

In Search of Knossos : The quest for the Minotaurs labyrinth

The legend of the Minotaur - the bull-headed monster slain by the Athenian hero Theseus - has captivated people since ancient times. Archaeologist Arthur Evans was determined to find out if there was any truth behind the myth. Digging on the island of Crete, he unearthed the magnificent palace of the ancient Minoans. In Search of Knossos tells the story of Evans's discoveries. Superb illustrations invite the reader to share his excitement at unearthing an ancient civilization, and through this to learn about the everyday life of the Minoan people.
