

Yummy Bunny Easter Treats!

Build your own Easter basket with this interactive board book that comes with thirty play pieces! It's time to build your Easter basket. You can watch us do it! When jelly beans are fully ripe, they're picked and added to it. Children will love helping some busy bunnies build the perfect Easter basket! With thirty colorful play pieces (some of which have foil and glitter), this interactive story will amuse and entertain young readers as they match up the pieces to the corresponding slots and create their own fun Easter basket! This book contains small pieces that could be a choking hazard, and is not intended for children under age 3.
