

Brady Brady and the Big Mistake

We all know that Brady is well meaning. He absolutely loves to play hockey and be with his friends. Unfortunately, sometimes Bradys passion gets him into a little bit of trouble. Such is the case in Brady Brady and the Big Mistake. Brady is excited about having his friends come over and play a little shinny on his backyard rink. Hes made everything perfect. Then, he comes up with what seems like a great idea to make the game even better. His Dad has a special puck, signed by none other than Bobby Orr himself, sitting in a case on his desk. Even though he gets a strange feeling in his stomach, Brady decides to take the puck without asking and use it in the game. You just know theres going to be trouble.
