

Look ... Look Again!

A pizza, a moon, and a balloon will never look the same! For twentyfive years, John Oâ€™Brien has contributed quirky and one-of-a-kind cartoons to the pages of the New Yorker. Now readers are invited into Oâ€™Brienâ€™s lopsided universe with a hilarious collection of cartoons created especially for this volume. A farmer, a knight, a clown, and other off-the-wall characters find themselves in an absurd world where the moon is a Frisbee and a hungry pizza may gobble them up. Visual gags will tickle readersâ€™ funny bones and tease their brains, sometimes all at once. Humor fans can expect the unexpected in this wildly entertaining cartoon collection from a brilliant comic mind.
