Inside This Book: (are three books).

Inside This Book is a tribute to self-publishing in its most pure and endearing form. Three siblings create three books of their own using blank paper that they bind together (in descending sizes to match birth order). One sibling's work inspires the next, and so on, with each book's text and art mirroring the distinct interests and abilities of its creator. Upon completion of their works, the siblings put one book inside the other, creating a new book to be read and shared by all!
