Before the cliff diving accident in which he lost the use of his leg, Kip had been the leader of the Daredevil club. Now he has difficulty completing the dares and suspects that his membership is threatened. As the daredevils plan their final stunt, a dangerous climb along a narrow steel shelf beneath a bridge, they try to convince Kip that he may not be up to the task. Kip refuses to back down even though he suspects his friends might be right. Wired by Sigmund Brouwer Keegan Bishop, championship skier, is almost injured in a dangerous trap set for one of his teammates. Snowboard tracks leading away from the trap are the only clue as to who might be responsible. Keegan teaches himself to snowboard so he can find the culprit on the snowboarding slopes. When Keegan discovers that someone has been stealing snowboards and skis at Bear Mountain resort, and the girl he just met is somehow involved, he must face his fears and test his

new snowboarding skills in a run for safety.
