

How to Draw With Your Funny Bone

If you struggle to turn sticks into figures, then perhaps it is time to seek out a Trained Professional Artist! Illustrator Elwood H. Smith consults his expert funny bone as he leads budding artists through a tutorial on how to draw tricycle-riding pigs, silly-grinning cars, and jousting ketchup bottles. Emphasizing that subjects can be based on everyday materials and that artists have unique styles, this is a workbook that will encourage readers to experiment with their own types of visual expression.
