

## When Zeke the zebra hit the slopes...

Zeke sets out on an adventure with the determination to succeed. He heads out full speed ahead. He finds out all too quickly that the sport of skiing is full of challenges, not to mention a crash of himself, his equipment and pride. Zeke is soon ready to try another sport on the snow; he is not a quitter. He once again heads out only to discover that speed is not his friend, and that children can behave badly at times. Zeke has a try, try again spirit. He gives this snow sporting one more try; he tries a snowboard. To the top he goes and wouldn't you know; Zeke is able to conquer this mountain of snow after all.
